

Argyle School Junior Read Aloud 2022

This year our Junior classes (Grades 1-5) will be participating in a shared Junior Read Aloud. We are excited to be reading the book:

**Planet Omar - Accidental Trouble Magnet
By Zanib Mian**

It is a fun story that introduces us to a 9 year old Muslim boy and his family.

There will be special activities related to the book that classes will participate in.

If your family would like to participate at home, feel free to pick up a copy and join the fun! The book is easily available through Indigo, Amazon, or other bookstores.

Our start date is April 6th.
Happy Reading! 😊
