

Meaning of Home

June 15, 2021

THANK YOU ARGYLE ELEMENTARY SCHOOL for inspiring your students to give back!

Dear Rhonda,

On behalf of Habitat for Humanity Saskatchewan, founding sponsor Sagen™, and award sponsors Revera and Swiffer, I would like to express our sincere gratitude to the students and teachers of Argyle Elementary School for their participation in the 2021 Meaning of Home contest. By including the contest into your classroom's curriculum you have helped to increase awareness around the issue of affordable housing and empowered your students to make a positive change in their community.

This year your class joined over 12,000 students from across Canada who shared what "home" means to them, raising \$300,000 to help families build strength, stability and independence through affordable homeownership.

On behalf of Habitat for Humanity Saskatchewan and the families we serve, thank you for your support. We look forward to having Argyle Elementary School participate in the next Meaning of Home contest.

Sincerely,

Diane Robinson
