PURSuing SUCCESS THROUGH THE JOY OF LEARNING

January 12, 2022

Dear Parents/Guardians,

We are changing our notification process for possible exposure to COVID-19.

At the conclusion of the school day, the administration will send an email to all parents over Edsby listing all classrooms with a possible exposure. If your child's classroom appears on the list, please follow the instructions contained within the letter.

If you do not receive an email, it means that there were no cases reported on that day.

Thank you for your assistance, patience and understanding as we navigate the increasing numbers of COVID-19 due to the latest variant.

If you have any questions or concerns, please feel free to call the office.
306-791-8536

Kind regards,

Katherine Black
