

February 2021

Dear Argyle Gator Families,

The Argyle School Community Council (SCC) has not been able to plan any of their regular school fundraising events this year due to COVID restrictions.

In lieu of typical fundraising, we are asking our families to donate to the School Community Council (SCC). This will be the only fundraiser that we will hold this year.

This financial support will allow our SCC to purchase things like the following:

Classroom resources

Playground equipment

One School/One Book

Attendance prizes

Library resources

School initiatives

School improvement projects

The SCC supports all 345 students at Argyle School. Please consider participating in this fundraiser so that the SCC can continue to give back to the school.

Please make your donation through [school cash online](https://rbe.schoolcashonline.com/) as we cannot accept cash or cheques.

(SCC OPTIONAL FEE - 2020/2021 \$15.00)

**The fundraiser will last for the month of February**

Thank you for your assistance! Together we can help our educators make 2020-2021 a great year!

*Argyle School Community Council*
